ARMED & READY

A seminar equipping believers to stand victorious against the devil's forces and his schemes.

"Aligning Lives to God's Word"

Seminar Overview

Inspired by the divine warrior image in the book of Isaiah and by Roman soldiers that pervaded all the Roman empire in the first century, the Apostle Paul metaphorically uses the main pieces of Roman armor to teach spiritual truths for overcoming the devil's schemes and forces. Every piece of God's armor finds its meaning in Christ and spiritual realities that He has accomplished for us. Based on these positional realities and insightful biblical principles, participants will appropriate their victory "in Christ" and be equipped to stand firm against the evil one, defeat his spiritual attacks, and advance the purposes of God.

Each of the eight sessions will follow a common format: 35 minutes of lecture followed by 10 minutes of small group interaction. The seminar is designed to have four sets of two back-to-back sessions with a 15 minute break or lunch between each set.
